Dear Friends and Fellow Music Lovers,

Another fabulous set of concerts will soon be upon us. How gratifying to be able to welcome you back to yet another season of the Eureka Symphony. Because you will be in the concert hall supporting us, we get to do what we love, that deserves a heartfelt thank you. I am especially delighted that the chorus will be joining us again after so long, presenting such an epic and timely masterpiece. Together we'll encounter fabulous music and amazing soloists. After all we've been through, I will never again take live symphonic performance for granted. It is truly an incomparable thrill.

See you at the Symphony,
